

Tyler Seal – Athlete Profile

Tyler has an outstanding work ethic and commitment to everything he has done.

Tyler's parents are thankful to John Hegwood for his support throughout Tyler's development. John was an influence to Tyler's success through his own values of hard work, integrity and passion.

This year Tyler successfully attained a height in his education and athletics far beyond his dreams, especially after a severe knee injury. His determination for success to grade 12 was simply heroic.

Athletics & Teams

Basketball has been an amazing sport for Tyler since the time he played tykes in the Bow River organization, attending camps with CYDC & NBC, travelling with the Fury and CYDC, coaching with Bow River, playing with Monsignor Smith Junior High Stars & Bishop Grandin Ghosts through to reffing with CMBA over 6 years.

Tyler's goals are to follow through with his Aerospace Engineering but he hope to try out for the Ravens.
